## DATA SHEET

TRUCK MOUNTED BOOM PUMP

47M Truck Mounted Boom Pump with 177m<sup>3</sup>/h Output Z Type Boom Design

### TECHNICAL SPECIFICATION

| GENERAL SPECIFICATION |                      | PUMP SPECIFICATION               |                    |                       | BOOM SPECIFICATION |            |
|-----------------------|----------------------|----------------------------------|--------------------|-----------------------|--------------------|------------|
| Delivery Line         | DN 125 / 5"          | Output                           | Rod                | 177 m <sup>3</sup> /h | Number of booms    | 5 Sections |
| Radio remote          | Proportional control |                                  | Piston             | 120 m <sup>3</sup> /h | Folding Type       | R & Z TYPE |
| Wear plate / Ring     | Tungsten Carbide     | Pressure                         | Rod                | 87 Bar                | Vertical Height    | 46.2 m     |
| Water Pump            | 20 Bar               |                                  | Piston             | 130 Bar               | Horizontal Reach   | 41.2 m     |
| Water Tank            | 500 Liter            | Delivery Cylinder (Hard-chromed) | φ230 mm            |                       | Unfolding height   | 11.5 m     |
| Auto Lubrication      | Hyd. grease, Hopper  | Stroke Length                    | 2100 mm            |                       | End-Hose Length    | 4.0 m      |
|                       |                      | S - Valve                        | 8" X 7"            |                       |                    |            |
|                       |                      | Main Oil Pump                    | Rexroth Hydromatic |                       |                    |            |
|                       |                      | System Pressure                  | 350 Bar            |                       |                    |            |
|                       |                      | Hopper Capacity                  | 600 Liter          |                       |                    |            |
